PRIMARY SCHOOL**

Sports Premium 2021-2022
Proposed Spend

Introduction

This document is a statement of the aims and principles of the use of Sports Premium funding at Linthorpe Community Primary School including a breakdown of the allocation of the funding for 2021-2022

Aims

We use the Sports Premium funding to:

- Give every child a sporting start in life through high quality PE and sport in primary school;
- Ensure all young people have a sporting chance by developing opportunities for those with special educational needs and disabilities;
- Support all young people to achieve their sporting best in school.

Objectives

- Our Sports Premium budget is allocated to achieve the following objectives which support our aims.
- To continually improve the provision in PE and sport within the school's curriculum for Physical Education.
- To access training and make use of qualified expertise to support high quality teaching and learning.
- To encourage and engage all pupils in the participation of PE and sport.
- To raise standards of achievement in PE and sport for all pupils.
- To ensure an increased awareness of health and well-being and nurture a commitment to sport and physical activity.
- To continue to complement the curriculum by offering a range of traditional and new, alternative sporting activities before, during and after school.

Number of pupils and Sports premium (SP) funding received

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort, swim competently, confidently and proficiently over a distance of at least 25 metres?	
What percentage of your current Year 6 cohort, use a range of strokes effectively for example, front crawl, backstroke and breaststroke?	
What percentage of your current Year 6 cohort, perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way? (If Yes ensure you report it in the table below)	Yes
