Dear Parents/Carers,

Following the announcement from the Prime Minister last night, we are looking forward to welcoming **ALL** of our children back to school on Monday 8<sup>th</sup> March.

Although we are getting closer to normal life, the COVID-19 virus still remains a concern and it is extremely important that we continue to follow all safety measures to ensure that our school community remains as safe as possible. We are currently updating our risk assessment, in-line with government guidelines, and our staff continues to work hard to ensure the safe return of all pupils into the classroom.

We will communicate with you, by the end of this week, all arrangements for your child's return to school including after school care, before and after school clubs and the start and end times of the school day.

I am sure that this news will be greatly appreciated and accepted by all of our parents, pupils and staff alike and we are very much looking forward to seeing you all again on Monday 8<sup>th</sup> March.

Yours sincerely

Mrs S Lymer

Headteacher
