

# Welcome Back

Dear Parent/Carer,

Welcome back to what promises to be another fantastic academic year. Our children and staff team have returned to school today, refreshed, excited and ready to learn.

Following information shared at welcome assemblies in the summer, please read the important reminders below carefully:

## School lunches

Follow the link to sign up to SchoolGrid to activate your account. This will allow you to **make school lunch payments** and **pre-order your child's lunch choices in advance**. We would be extremely grateful if you could look at the menu and select from the options with your child to ensure the best possible lunchtime experience. If a lunch is not booked in advance, your child may not have all meal options available to choose from.

If you are unable to gain access into your account, please contact the school office, or for any other technical difficulties, please contact SchoolGrid on: 01506 300310 or by email to: [support@schoolgrid.co.uk](mailto:support@schoolgrid.co.uk)

## ParentPay

Please be reminded that we are now using ParentPay as a way of communicating with all of our parents and we will shortly be de-activating all ParentMail accounts. Everything, except for school lunches, will now be booked and paid for via ParentPay. This includes wrap around care, trips, visits and clubs. It is important that you activate your account as soon as possible to ensure that important information is not missed.

Our NC+ after school clubs will be launched in the coming days and you will need to book your child's place using ParentPay. If your account is not activated, this will result in your child potentially missing out on this fantastic offer.

If you need a copy of your activation code for ParentPay, please contact the school office.
