

Art and Design Curriculum Overview

	Autumn		Spring		Summer	
Nursery	In EYFS, we have an integrated approach to artistic skills, laying down the foundations for KS1 and KS2 where children learn more about the interrelated dimensions of art (drawing, painting/mixed media, craft & design and sculpture & 3D). In EYFS, children learn to explore texture and how different media can be combined. They develop their understanding of colour mixing and how to create simple representations through art.					
Reception
